Dear Dan Liu,

I am pleased to invite you to attend the Goldschmidt2017 conference being held on 13 to 18 August 2017, Paris, France at Le Palais des Congrès de Paris. With more than 3,500 geochemists and exhibitors expected from over 50 countries, this conference is the global event for geochemistry and offers participants the opportunity to network with other geochemical students and scientists from around the world at our special events and receptions.

The hosts of the event, the European Association of Geochemistry (EAG) and the Geochemical Society (GS), represent more than 5,000 members of geochemical companies, academic institutions, geological surveys and related organisations from across the globe.

We would be delighted if you joined us in Paris this year.

Please note that the sole purpose of this letter is to assist you in obtaining a visa for entering France. Obtaining the visa is the responsibility of each individual delegate.

This letter is not and cannot be regarded as a financial commitment from the organisers of Goldschmidt2017. During your stay you cannot be engaged in any employment. You will be responsible for your own travel expenses, including airfare, ground transportation, hotel, meals and travel insurance. We understand that you may want to explore France, participate in conference organised field trips before or after the conference, or visit colleagues and friends after the conference, therefore your travel to France may extend beyond or before the dates of the conference.
